Worldwide Base Info Packages Via Your Computer – www.militaryhomefront.com is the official Department of Defense website for reliable quality of life information and information on all major military installations. From the privacy of your home or office, you can download an information booklet which will contain extensive information about your new base and local community. Please refer to the “Moving & Relocation Web Sites” pamphlet enclosed in your Sponsor Package for website and downloading instructions.

USO Facility @ Raleigh Durham International Airport (RDU)

Armed Forces personnel and their families are invited to use the RDU Airport USO located at the Northern end of Terminal A. The USO provides a safe, inviting atmosphere where one can enjoy a free snack, relax while watching TV, surf the internet, or just pass the time playing cards while waiting for ground transportation to Seymour Johnson AFB. Hours of operation 7:00 a.m. until 7:00 p.m. For additional information on the RDU USO call (910) 455-3411.

U.S. AIR FORCE

One Source

In partnership with Airman & Family Readiness Centers, Air Force “One Source” is designed to help you deal with life's issues. Our consultants are available 24 hours a day, 7 days a week, and 365 days a year. You can call in and speak to a master's level consultant (no automated answering system but a “live” person) or you can go online to access information or email a consultant. Those PCS'ing or going TDY are encouraged to use Air Force One Source to obtain base and area information plus valuable travel tips. For online resources:
